

Growing Our Future

2019 Annual Forestry Meeting

The Growing Our Future – Annual Forestry Meeting has become a staple of the forest management community. Every year experts from various fields of study are brought together to share their work and knowledge with professional foresters and landowners alike.

This year the program will feature:

- Agency Updates from: Dr. Tom Dobbins (Clemson Extension), Scott Phillips (SC Forestry Commission), Cam Crawford (SC Forestry Association), and Dr. Walt McPhail (SC Tree Farm)
- Dr. Cory Heaton (Clemson) – Wildlife Mgt. in Working Forests
- Dr. Adam Kantrovich (Clemson) – Basis for Timber Taxes
- Dr. David Coyle (Clemson) – Invasive Species in SC
- Jason Watson (Arborgen) – Advanced Pine Genetics
- Darrell Russell (Corteva/Dow) – Forest Herbicides

Continuing Education Credits are Available!

- Forester CFE – 6.5hrs Category 1
 - SC Pesticide – 2hrs Core
 - GA Pesticide – 2hrs
 - NC Pesticide – 2hrs
