

# Fall Crops & Composting Seed Library Event

Check out the Lexington Soil & Water Conservation District's seed library as we discuss the best seeds to plant in the fall and which type of composting is best for your needs.

The Seed Library will be available from  
**September 9th - September 20th**

Take up to 5 packets of seeds and don't forget to fill out the check out slip.  
(It helps us learn which seeds to stock)

**When: Monday, Sept 9th  
4:30pm - 5:30**

**Where: Swansea Library  
199 N Lawrence Ave  
Swansea, SC 29160**
